### CAMBRIDGE ASSESSMENT TERMS

Please note that by registering for the BioMedical Admissions Test (BMAT), you are agreeing that data provided as part of the entry process may be passed to Cambridge Assessment and any institution involved in the candidates application for a place at one of the BMAT institutions, and that data may be used for research purposes in connection with admissions procedures. You also agree that if you obtain a place for a course where your BMAT result was used in the admissions process, then the institution administering the course and UCAS may supply Cambridge Assessment with data about your results in subsequent examinations whilst you are studying at that institution, unless you specifically notify the institution in writing. Cambridge Assessment will take reasonable care to keep candidates' personal details anonymous.

### CENTRE'S TERMS

By signing this statement, you agree that the British Council may collect and process your personal data both now and in the future for the purposes specified below. The processing may involve the local and overseas transfer of your personal data to subjects cooperating with the British Council in the provision of products and services as well as other British Council offices. Personal data collected by the British Council will be processed for one or any of the following purposes:

- Administrative purposes linked with the Bio/Medical Admission Tests, including transfer to Cambridge Assessment.
- Marketing purposes linked with British Council operations, including transfer to entities cooperating with British Council in this area. I disagree

I provide the above personal data voluntarily and I acknowledge that I have the right to access the content of my data and the right to make amendments.

- British Council may provide you with commercial and marketing information concerning its services and products by electronic means of communication, by telephone or by post. I disagree

According to the regulations concerning data protection which are in force in the United Kingdom and Poland, The British Council is legally bound to process personal data only for specified purposes in a manner that is both confidential and secure.

The Data Controller details are as follows:
