Interviewee's Position:

YOUR ROLE IN MURAL PROJECT AND COMMUNICATION WITHIN THE CONSORTIUM

As the MURAL project is ending, how do you feel about your role in the project?

How would you describe your involvement in this project?

Have you been part of any MURAL project activities? Please share your insights about these activities.

Have you received adequate and well-timed information related to the project activities and achieved outcomes from the project partners? Any recommendation/challenges?

To what extent communication with the MURAL consortium and its partners has been efficient and effective? 1 is the lowest, 10 is the highest.

Support a network of social activists and key stakeholders

What have been the main successes in the MURAL from your perspective?

What is the most impactful social change that this project has enhanced in your community?

How do you perceive the capacity of local activists to continue their community engagement in enhancing tolerance, intercultural dialogue and combating discrimination?

To what extent MURAL and its partners have established sustainable links with the decision makers and other stakeholders in your community? Any recommendations:

Sustainability and Follow up

What have you learned from this project implementation?

To what extent carried out activities are sustainable?

What activities you would propose as the project follow up?

How your organization/institution could contribute to project's outcomes sustainability?

After the project is carried out, to what extent the tolerance and understanding have been increased in your community?

Any comments/suggestions
