ESCP Europe

The ESCP Europe scholarship programme is based on a mix of criteria, which include merit, diversity and financial needs. Scholarships are competitive and cover 25% to 50% of the tuition fees (the 1st registration fee is not covered by the scholarship). They are renewable each year on condition of academic achievement, behaviour and involvement in the ESCP Europe community.

Applications for scholarships
Students wishing to be considered for scholarships apply once they have been admitted to the programme and will need to submit financial information (evidence of household income), in addition to documents previously provided. Admitted students applying for scholarships will be notified of the decision before they have to pay the non-refundable €2,500 deposit (which is due even if a scholarship is awarded).

**UNIVERSITY OF
WESTMINSTER**
University of Westminster

University of Westminster offers a wide range of European undergraduate and postgraduate scholarships. The majority of them are not course-specific and are awarded in part on the basis of academic excellence. In 2017 we awarded scholarships to students from over 50 countries. We are very proud of this and intend to develop the scholarship scheme even further in the coming years. We offer full, half and part tuition fee awards, depending on financial needs and development potential of a candidate.

Applicants must apply for scholarships before the start of the course and would need to be conditional or unconditional offer holders. Before applying for any scholarship, be sure to check eligibility and criteria information for any type of funding you plan to apply. We are looking for honest and insightful information on what makes you an ideal scholarship candidate.

For information on the UK/EU scholarships please visit:

<https://www.westminster.ac.uk/study/fees-and-funding/scholarships>

**UWE
Bristol** | University
