THE ADMISSIONS TESTING SERVICE TERMS

Please note that by registering for STEP Mathematics, you are agreeing that data provided as part of the entry process may be passed to the Cambridge Assessment Admissions Testing and any universities that you have applied to through UCAS, and that data may be used for research purposes in connection with admissions procedures. You also agree that if you obtain a place for a course where your STEP Mathematics result was used in the admissions process, then your university and UCAS may supply the Cambridge Assessment Admissions Testing with data about your results in subsequent examinations whilst you are studying, unless you specifically notify the Cambridge Assessment Admissions Testing in writing. The Cambridge Assessment Admissions Testing will take reasonable care to keep candidates' personal details anonymous.

CENTRE'S TERMS

I hereby declare that I have acquainted myself with the STEP Regulations and agree to the conditions stated therein. I declare that the personal data I have provided is correct. Providing your personal data by you is a condition for concluding a contract to conduct the STEP Mathematics exam. Refusal to provide data will result in the inability to conclude a contract, and as a consequence, take the STEP Mathematics exam.

By signing this statement, I agree that the Fundacja British Council may collect and process my personal data for purposes specified below in accordance with the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (Data Protection Directive):

The purpose of personal data processing	Legal basis for processing

Your personal data will be processed within the period necessary for implementation indicated in the above table.

Fundacja British Council ensures that all persons whose personal data is processed have appropriate rights resulting from the GDPR. Therefore, you have:

- the right to access personal data, including the right to obtain a copy of this data
- the right to request the rectification (correction) of personal data
- the right to request the deletion of personal data (the so-called "right to be forgotten")
- the right to request a restriction to the processing of personal data
- the right to withdraw consent to the processing your personal data. Withdrawal of consent does not affect the lawfulness of the processing the data which was made on the basis of consent before its withdrawal.

If you believe that the Data Controller processing violates the provisions of the GDPR, you have the right to lodge a complaint with the supervisory authority.

The processing may involve the local and overseas transfer of my personal data to subjects cooperating with the Fundacja British Council in the provision of products and services as well as other British Council offices.

According to the regulations concerning data protection which are in force in the United Kingdom and Poland, the Fundacja British Council is legally bound to process personal data only for specified purposes in a manner that is both confidential and secure.
