Note: You can see the latest information about which benefits are available in your location by contacting your local British Council account representative at advantage@britishcouncil.pl

Advantage goes above and beyond to offer you expert support helping members, teachers and learners progress along their English exam journey:

- Flexible exam services and personal account support. You can focus on what is important, while we take care of organising the exams.
- Exclusive financial incentives and marketing materials. Grow your exam registrations and membership level and get increasing benefits from partnering with us.
- Enhanced education experience. Enjoy unrivalled resources and support to enhance the learning and teaching at your institution.

Why Advantage? Because it all adds up to better results.

How does Advantage work?

- The more candidates you register the greater the benefits. We offer four membership levels: Advantage Starter, Advantage Standard, Advantage Premium and Advantage Premium Plus.
- Your membership level will depend on the total number of registrations made with us in the previous academic year from August to July. We will evaluate and renew your membership level each year.
- New schools and institutions that apply to join Advantage will be offered a membership level according to the number of registrations they first make. We also invite those who are starting to offer Cambridge English exams to join with Advantage Starter membership. Advantage Starter aims to give you the framework and the marketing tools to launch our cooperation.
